

Foam Types — Choosing the Right Fit for Your Needs

Not sure which foam is best? Here's a quick guide to help you choose the right type based on comfort, durability, and usage.

Economy Foam

A soft, budget-friendly option for light use and occasional comfort.

-  Back cushions – Soft support for sofas and lounge chairs
-  Upholstered headboards – Adds comfort without the cost
-  Mattress overlays – A soft top layer over firmer foam
-  Occasional mattresses – Great for kids, guests, or light-use adult beds
-  Holiday home bedding – Ideal for occasional stays
-  Caravan & campervan mattresses – Lightweight and easy to handle
-  Camping mats – Basic cushioning for tents or sleeping bags

Medium Density Foam

A balanced choice for everyday comfort and support.

-  Seat cushions – Great for light to medium-use seating
-  Back cushions – Comfortable and supportive
-  Mattresses – Ideal for regular home use or guest rooms
-  Daybeds & sofa beds – Blends comfort and durability
-  Caravan & campervan mattresses – Practical for travel
-  Pet beds – Durable enough for daily use
-  Upholstered headboards – Adds supportive comfort

Premium Foam

Firm and durable for high-use seating and bedding.

-  High-use seat cushions – Perfect for daily sofas and lounges
-  Firm mattresses – Long-lasting support for regular use
-  Commercial seating – Cafes, waiting areas, and more
-  Bench seating – Strong enough for built-in benches
-  Daybeds & sofa beds – Ideal for firm comfort
-  Caravan & campervan mattresses – Supportive for long trips

-  Gym & fitness pads – Withstands frequent use
-  Large pet beds – Great for heavier pets

Enduro Foam

High-performance foam with extra durability and support.

-  Premium seat cushions – Everyday comfort and resilience
-  Back cushions – Supportive without being too firm
-  Medium-firm mattresses – Great for homes or guest beds
-  Commercial seating – Offices, cafes, and auditoriums
-  Built-in bench seating – Strong and supportive
-  Caravan & campervan mattresses – Durable and long-lasting
-  Theatre & auditorium seating – Designed for prolonged sitting
-  Pet beds – Good for pets needing medium-firm support

Quick Dry Foam

Designed for wet or humid environments — fast drying and breathable.

-  Outdoor cushions – Patio, garden, and poolside furniture
-  Marine & boat cushions – Handles salt and moisture
-  Caravan/camper seating – Resists dampness and humidity
-  Pool & spa seating – Perfect for wet areas
-  Shower & bathroom seating – Great for bath benches or stools
-  Gym & sports pads – Ideal for high-moisture areas
-  Outdoor commercial seating – For cafés, resorts, and venues
-  Wet pet beds – Breathable and hygienic for pets

A Better Foam, Backed by Innovation
